

Mat Seaming Tape

- Black vinyl seaming tape with patterned gluing surface for a secure bond.
- Embossed protective paper ensures gluing surface remains clean.
- Apply Notrax® Glue to patterned side of seaming tape.
- It is recommended to seam mats from the same roll in the same direction of the carpet grain for an undetectable seam.

Recommended uses:

- For width wise or lengthwise seaming of vinyl backed carpet matting.

Full rolls:

- 5 cm x 45.7 m
- 8 cm x 45.7 m

Custom lengths:

- 5 cm x per linear meter
- 8 cm x per linear meter
- 5 cm x per linear meter mounted
- 8 cm x per linear meter mounted
