# 595 Master Flex™ C12 Nitrile FR

Master Flex C12™ Nitrile entrance matting system

# Dust Control Matting - Outdoor Contract & Installation Matting

## 595 Master Flex™ C12 Nitrile FR

Oil resistant nitrile rubber entrance matting system made especially for e.g. petrol stations with oil exposure. Large selection of carpet inserts to match any interior. Compatible with Master Flex D12™ Nitrile for a harmonious transition from outdoor to indoor.

- The 50 cm x 50 cm tiles cover sizeable areas easily and can be assembled on-site for installation in recessed matwell frames in large entrances.
- Made from a durable natural rubber compound that is inherently resilient, anti-slip and withstands the heaviest foot traffic.
- The 593 Master Flex™ C12 matting system can be completely personalized with a large selection of carpet inserts in a variety of colours.
