PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax<sup>®</sup> has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax<sup>®</sup> offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax<sup>®</sup> offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

**040 - SLABMAT™** is a durable product designed for dry areas where heavy industrial equipment is stored. It is also suitable for gyms, weight rooms, skating rinks, golf courses, trailers and stables. This indestructible rubber mat absorbs shock from falling objects and protects floors as well as equipment. The textured top surface provides traction and limits slip hazards. These interlocking mats allow on-site customization. Units of 3ft x 3ft tiles can be easily laid out from wall to wall or as islands, in any shape or direction. If it is necessary to add beveling be sure to allow outside and inside corners.
