

Justrite Safety Group

## RT TRAX<sup>®</sup>

PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

**058 - RT TRAX®** mat is designed to eliminate membrane surface wear and reduce membrane punctures when facing repetitive foot traffic. Made from 100% recycled rubber, this odorless, single-ply, non-laminated flooring is a cost-efficient solution. RT Trax® has the highest coefficient of friction on the market, making the mat resistant to extreme temperature variations, UV light and moisture. Mat is available in the roll size of 30" x 30' with 5/16" thickness and are homogenous in composition and uniform in width and thickness, allowing for smoother installations in a shorter period-of-time.

**Material:** Recycled Rubber

**Features and Benefits:**

- Slip resistant surface with the highest coefficient of friction on the market
- Smooth top surface is resistant to extreme temperature variations, UV light and moisture
- Will not warp, chip, crack, crumble, or corrode

MODEL: 058
