

448 Autoclavable Anti-Fatigue Bubble Mat

For sterile environments, the NoTrax 448 Autoclavable Anti-Fatigue Bubble mat provides: the comfort of anti-fatigue, the benefit of antimicrobial additives, and durability to be sterilized in the autoclave over and over again.

Ideal Environments: Sterile workplaces such as labs, hospitals, surgery centers, or pharmaceutical.

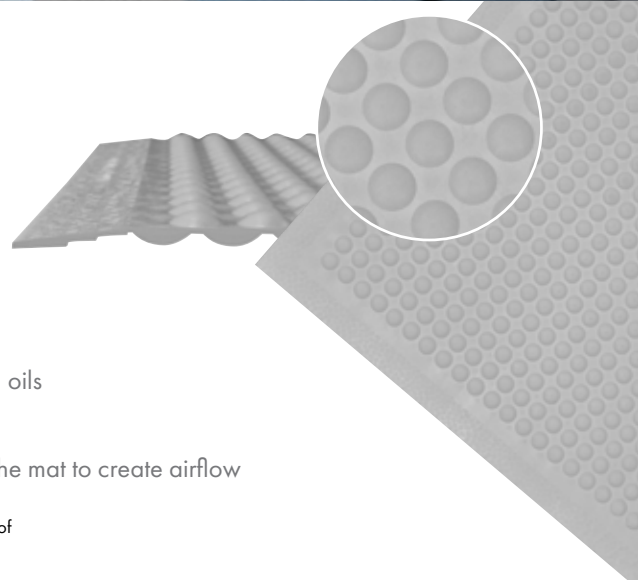

Features:

- Antimicrobial/antibacterial formulation
- Premium molded rubber
- Ergonomic off set bubbled top and bottom
- Beveled edges on 4 sides
- Available color: Gray
- Overall thickness: 3/8"
- Stock size: 2 x 3 ft

Benefits: (Antimicrobial, Durable, Anti-Fatigue)

- Antimicrobial and antibacterial formulation throughout and does not wipe off
- Resists most gram-positive and gram-negative bacteria
- Helps prevent contamination in sanitized commercial and industrial sites
- Helps prevent spreading by killing bacteria on soles of shoes
- Durable rubber compound that allows the mat to be sterilized in the autoclave
- Nitrile formulation allowing it to hold up to areas exposed to dripped solvents and oils
- Withstands standard industrial cleaners and can be wiped down
- Anti-fatigue benefits through design of molded bubbles on the top and bottom of the mat to create airflow
