

Justrite Safety Group

# T48 - RAINBOW PAK™

PRODUCT INFORMATION BROCHURE

For over 70 years, the name Notrax<sup>®</sup> has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax<sup>®</sup> offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high-quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax<sup>®</sup> offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

# PRODUCT INFORMATION

**T48 - RAINBOW PAK™** cutting boards are made from a high density polyethylene plastic that's highly resistant to warping and won't crack, splinter, swell, or absorb liquids or odors. Tested and certified by NSF International, each Rainbow-Pak™ consists of 6 color-coded cutting boards to minimize the risk of cross contamination (also available in single color packs). An available rack, wall chart, and cutting guide are also available to help organize and maintain the cutting boards.

**Material:** Polyethylene

**Features and Benefits:**

- Made from high density polyethylene
- Won't crack, splinter, swell, or absorb liquids or odors
- Tested and certified by NSF International
- Highly resistant to warping
